#	RESPONSES	DATE
1	Doing an awesome job with my grandson	10/11/2018 6:11 PM
2	When my daughter first started the early intervention program, she was just learning to roll over. Now she is starting to pull to stand taking a few steps with her walker. The intervention program has really helped my daughter and they continue to do so. They have given me tips on what I can do to better help my daughter as well.	10/2/2018 2:38 PM
3	Wonder staff they offered plenty of support. Therapist were always professional. They were always offering tips 3 suggestions to aid in development.	10/2/2018 2:36 PM
4	Everyone that has been involved in my granddaughter has been very helpful & informative. The only issue we had was how long it took for our first contact with anyone. I understand that they were not involved at this time. But as soon as they became involved they have been great.	10/2/2018 2:36 PM
5	This early intervention was very beautiful in identifying areas of improvement and teaching me as the parent how to incorporate learning into every day playtime As a result I can apply that same knowledge to my other child to aid in his healthy development	10/2/2018 2:35 PM
6	So glad I had them help with my son. He grows every month with their help. They are doing a great job. Can't wait till my daughter gets into the process to improve with their help.	10/2/2018 2:34 PM
7	I appreciate the services. It's very helpful for kids in need of help.	10/2/2018 2:32 PM
8	I don't like how just got another service coordinator. takes my kids a while to get used to someone else, when she was barely getting used to other one	10/2/2018 2:32 PM
9	Not happy about getting another services provider coordinator already had one????	10/2/2018 2:31 PM
10	We would like to thank the therapist for changing my kids life -the weekly therapy helped tremendously. We sec our twins growing and learning we can't thank you enough	10/2/2018 2:25 PM
